

**Vision.**

*Without vision,  
people lose hope.  
They remain lost,  
Finally, they perish.  
We must act now!*

**Refugees** are among the world's most oppressed people. Thousands are trapped in Malawi's Dzaleka Refugee Camp. **God** has a plan to give them a hope and a future. But it's hard for them to see beyond the despair and the pain. **They need hope....and There is Hope!**

*Join us in Malawi to discover how you can help!*
